

Millom Without Parish Council

Specification for Woodland Management Work at Hill Brow, Underhill, The Hill, Millom, Cumbria LA18 5HE

Tenders are invited from suitably qualified Tree Surgeons.

Background

Following an Arboricultural Hazard Survey, conducted by Lowther Forestry Group Limited in April 2017, the initial work recommended was completed. A three-year plan was proposed which leads to the work now required.

The Work

- 1 6 trees are to be coppiced; some were done 3 years ago
- 2 All brash is to be chipped and left on site
- 3 All cut timber is to be left on site to assist the creation of improved wildlife habitat
- 4 Ivy on all trees in this woodland is to be severed at ground level where it has grown more than 3m

Timescale: The work should be completed by Mon 15th March 2021
